Qs based on UPSC CSP 2011 to 2018 on topics mentioned will be improvisations on the topics and issues covered in Civil Services (Prelims) papers. When CAPF is mentioned alongwith, it means the General Knowledge objective paper of CAPF exam conducted by UPSC. We will publish a brief on how to prepare these when we start approaching this section of the test series syllabus.

agritech.tnau.ac.in is a very important public website run by the Tamil Nadu Agricultural University. A number of important topics have been asked directly from this website by UPSC. You need to prepare those sections that are a part of the syllabus for the given test.

We will brief you how to cover Ministry websites and other official national and international websites when we approach the full syllabus mock tests.

15% of Qs in each test, except revision tests, will be based on topics covered in any of the previous tests. This is to help you retain whatever you have learnt throughout the this yearly schedule.
