The IPM Test Series, with its disruptive methodology, gives an aspirant ample opportunity to learn from their mistakes the skills required to clear both Prelims and Mains in one go with the help of a perfectly designed integrated approach to prepare for UPSC civil services examination.

Abraham Lincoln once said, *“If I had five minutes to chop down a tree, I’d spend the first three sharpening my axe.”*

Undoubtedly every serious aspirant spends probably for almost a year fine-tuning their preparation but fail to find a program, an AXE, which provides dividends proportional to the efforts they put in and end up with a sickle that takes a prolonged period to ensure success, no matter how sharp it is!

Like an AXE, The IPM with its methodology provides:

Perfectly planned single timetable: Inculcates discipline, focus, consistency and ensures holistic preparation for both Prelims and MAINS.

Mentorship: 2 Sessions for every test via Telephonic conversation for online students or in-person for Offline students.

Accessibility: Choose either Online or Offline as your mode for every test on the go from our All New INSTA COURSES Test Portal.

Rapid Discussion: Road-map w.r.t to syllabus, sources, time-management for effective and efficient preparation for the upcoming test.

“...followed offline prelims test series of Insights and also, prelims cum mains integrated study plan...Initially, I struggled to answer 5-6 answers. But I was pushed to answer more and more at Insights. In the end I could easily answer all 20 questions in 3hours without diluting quality of answers... Solutions given by Insights were detailed and helped me understand a topic in –depth. I used to score 130+ in Insights offline prelims tests. In CSP-2016, I could score 141+ in paper-1 due to extensive revision of these tests.”

NANDINI K R
(AIR 1, CSE- 2016)

“I did prelims related test series from InsightsIAS. I revised the questions that I got wrong 3-4 times. I did not follow any other test series. I also diligently attempted last prelims revision plan of InsightsIAS”

ANU KUMARI
(AIR 2, CSE-2017)

“I bought all the Prelims Test Series papers of Insights about a month before the exam. Spent days and nights on end solving them. In my experience, this was more beneficial than any book or notes I might have read earlier. A number of questions were repeated directly from Insights test series. INSIGHTS SECURE really saved my neck in Mains Examination. I could not have even attempted all the questions in the final exam had I not followed the secure initiative so thoroughly.”

ARTIKA SHUKLA
(AIR 4 CSE-2015)

RAHUL S
