EQUIP STRATEGY
The InsightsIAS Way

Our unique EQUIP strategy of Insta Classes is built on fundamentals of pedagogy that strives to enable an IAS aspirant to clear all three stages of the examination by acquiring knowledge and skills, helping them to be at their competitive best.

EQUIP stands for:

- EXPLAIN
- QUEST
- UNDERSTAND
- INTERACT
- PERFORM
Key to succeed in the UPSC civil services exam is to have strong basics and absolute conceptual clarity. Our faculty will ‘EXPLAIN’ the most complex concepts in a lucid way so that any fresher can understand and use these concepts while solving questions of Prelims and Mains.

Every class lecture is accompanied by a small test - which we call as QUEST- that seeks to test your knowledge and skills both. These tests will help bring discipline and seriousness in your exam preparation.

Post-Quest, discussions are conducted that further helps you to understand how the concepts that you have learned as part of the ‘EXPLAIN’ component needs to be applied and remembered from exam point of view. The faculty will extensively use previous year questions and their own set of questions to illustrate how you must align exam preparation to prepare smartly without stress. This is ‘UNDERSTAND’, the U-component of EQUIP.

Lectures with interactive discussions enhances the quality of learning and also helps in inculcation of more ideas as every student could contribute. This ‘INTERACTION’ component will be facilitated at the end of each lecture where you can clear your doubts and contribute your own ideas too.

Weekly Prelims tests, fortnightly Mains tests and comprehensive Prelims & Mains test upon completion of every subject are conducted for you to finally ‘PERFORM’, enabling you to be at your competitive best to ace the IAS examination. These tests will help you revise and test knowledge and skills that you have acquired through classes and self-study.

Finally EQ (EQuip) also matters. Without a strong Emotional Quotient, you cannot sustain the long audacious journey of Civil service preparation. Moreover you cannot perform well in Interview round of Civil service examination. Keeping this in mind, our mentorship program offers you the much needed emotional support in addition to academic support.
