The IPM program, with its disruptive methodology, enables students to acquire the necessary skills to clear both the Prelims & Mains Exam in one go. The core philosophy of IPM is to provide a SINGLE timetable that covers both the Prelims and Mains Syllabus in a holistic manner, enabling students to complete the syllabus part by part and be tested on it from the point of Prelims (MCQs) and Mains (Descriptive Answers) simultaneously. "Followed offline prelims test series of Insights and also, prelims cum mains integrated study plan...initially, I struggled to answer 5-6 answers. But I was pushed to answer more and more at Insights. In the end, I could easily answer all 20 questions in 3 hours without diluting the quality of the answers. Solutions given by Insights were detailed and helped me understand a topic in-depth. I used to score 130+ in Insights offline prelims tests. In CSP-2016, I could score 141+ in paper-1 due to an extensive revision of these tests."

"I did prelims related test series from InsightsIAS. I revised the questions that I got wrong 3-4 times. I did not follow any other test series. I also diligently attempted last prelims revision plan of InsightsIAS"

"After my second attempt, I felt that I seriously need to work hard on the GS part well, thereby I joined InsightsIAS Offline Test Series/Core Batch for Answer Writing Practice, which I found a game changer in this journey for Rank 575 to Rank 3..."

"I bought all the Prelims Test Series papers of Insights about a month before the exam. Spent days and nights on end solving them. In my experience, this was more beneficial than any book or notes I might have read earlier. A number of questions were repeated directly from Insights test series. INSIGHTS SECURE really saved my neck in Mains Examination. I could not have even attempted all the questions in the final exam had I not followed the secure initiative so thoroughly."

"I must place on record my most sincere gratitude to the entire InsightsIAS team particularly Mr. Vinay Kumar who had been a true bedrock of support. He was extremely patient and would review my writing with suggestions on improvement. Without his guidance, and others at InsightsIAS like Mr. Sudeep Kumar, I doubt I would have managed to clear this exam."
"First and foremost, Insights exposed me to the level of competition that exists in the Civil Services Examination. Secondly, it improved my answer writing in its Mains Test Series by helping me develop my own unique structure for answers along with the excellent evaluation it has to offer and lastly, the best peer group to interact and learn from."

I have subscribed to Insights Prelims and Mains Test Series in all my attempts and I am extremely grateful to Insights for its monumental role in my improving my preparation levels each time."

"I have been a part of InsightsIAS from 2016 as a student of Offline Prelims Test Series, Core batch, Mains Test series and Interview Guidance. I consider myself fortunate to have Vinay Sir as my Mentor. Especially, In my Mains preparation, he was available throughout to evaluate my answers personally and suggest improvements. Also, One on One mock interviews with Vinay Sir helped me to analyse my mistakes and gave me the much-needed confidence. Without the support I received from Insights, I would not have achieved the rank I did."

I have been a classroom student and offline test series student of InsightsIAS since 2018. Vinay Sir has played an indispensable role throughout my journey. My weekly meetings with him have been a source of inspiration for me. The guidance and care he provided on a regular basis were priceless and top class. His expertise in answer writing and brilliant mock interviews are the sole reason for my achievement. My advice to fellow aspirants would be to join InsightsIAS and follow Vinay Sir’s suggestions word by word. Thank you for being a true Guru, Vinay Sir. Forever indebted."
