Target 300 + in Public Administration

Features of the Comprehensive Public Administration program 2023

3 Phased Approach

Phase 1 (Starts from 15th June 2023) :

- Write answers for PYQs for very important chapters.
- Daily targets in terms of topics to be read will be posted. In addition, few PYQs will be posted for which you should write answers every day .
- (Daily questions will be uploaded in telegram channel)
- For every few days short tests on a few topics or a chapter will be given so that you get writing practice.
- Discussion will be conducted on these tests.

(Note : No evaluation or synopsis at this stage .)

By the end of this phase, you should have revised and written answers for important chapters like

- Introduction
- Administrative Thought
- Administrative Behavior
- organizations
- Comparative Public Administration
- Development Dynamics
- Personnel Administration
- Public policy

Phase 1 - Short tests for important chapters (125 marks each ; all questions are compulsory)
