### 3. INSTA Preparatory Classes Schedule

<b>INSTA Preparatory Classes</b>		
Date	Topic	Description
Pre-loaded	Introductory class (strategy for CSE 2024)	You will get a great insight on the UPSC Journey, What should be the overall strategy, What would help in becoming toppers, How to make a customised plan for each individual and how to evaluate the plan and stick to it.
Pre-loaded	How to read books for GS tests?	Considering the vast syllabus and also stack of study materials available, it is very important to choose the right books and also read them the right way. In this class, you will get to know how to study extensively as well as selectively from different sources available.
Pre-loaded	How to read Current affairs?	UPSC has time and again shown the width & depth of current affairs that it can go into. With the growing importance of Current Affairs, it is equally important to study current affairs with

		UPSC Exam perspective. This class throws a light on how to link current affairs to the Prelims, to GS answers as well as in Optional Subjects
Pre-loaded	How to make notes?	Effective notes making strategy is utmost important. An aspirant should learn to make customised notes for quick revision. One should not waste most of the time in making notes, at the same time should not ignore making important notes for quick revision
Pre-loaded	How to prepare n complete syllabus for each test?	‘Crisis of plenty’, w.r.t to the vast amount of resources (study material), is the situation every student faces in their preparation to the test or CSE Exam. Funneling the right resources is what helps you in completing the syllabus of exam & upping the ante of emerging successful in exam.
Pre-loaded	Strategy Class and Tricks to score well in mocks?	This class will deal with different techniques and tricks through which you can commit less mistakes, increase accuracy and score high in prelims and set your answers on higher pedestal in MAINS.

**Note: We may add more classes if need be. These classes are in addition to the discussion classes for each test. Video of the classes will be made available in the portal.**
